Elephant facts and fables

Course info and getting started

Written by world-renowned elephant expert, Professor van Aarde; Director of the Conservation ecology Research Unit based at the University of Pretoria; critically examines the elephant management question. Explore the generalisations that dominate discussions on elephant management. Information presented here stems from more than a decade of intensive research in Southern African populations. There are **no tests** to complete for this course.

Course type

The WildlifeCampus courses are online courses. There are **no tests** to complete for this course.

Duration

Average 1-3 weeks. There are no deadlines; you may complete courses at your own pace.

Certification

This course is **free for students to access and complete** after registering on our website. However, if required, a digital certificate may be redeemed at a cost of **R 250** per free course. Upon graduation, we will automatically contact you with the option to redeem a certificate or not. * **Redeeming a course certificate is optional, not compulsory.**

How to access

YOUR FREE COURSES

#01

REGISTER

It's free! Visit:
www.wildlifecampus.com

(Top left)

#02

LOG IN

Log in and go to your "my courses" page. Here, you will see the full list of ALL the online courses we offer – including a FREE component in each, for you to view and try – no certificates are issued for completing free components.

#03

SCROLL DOWN

Scroll down to the free courses (closer to the bottom of the list). Click open a course and begin!

Full instructions on how to complete the course/s will be found on the very first pages of each course.
