FGASA Exam Preparation Course

To view and try the **FREE** component, [click here](#)

Our **FGASA Exam Preparation Course** consists of a **database of 1,170 exam questions (but not the answers)** * This course in no way replaces our Field Guiding Course, but does complement it, as all the questions are derived from this course content.

Delivery and assessment of **ONLINE** courses

All Course content is available **online** but may also be downloaded in PDF format (and easily printed) so you don't have to be **online** to study. No physical product except certificates earned, are posted to students.

*There are no formal exam questions for this course, other than a database of self-study questions to work through.
