**Get clear on your
dream career**

Course info and getting started

This **free course** is designed to help you get clear on your dream career. Created by **Hayley Cooper**, a certified career coach, multiple business owner, lodge manager, author and creator of the **Front of House Lodge Operations Course**, written for WildlifeCampus.

Her business, **Wild Dreams Hospitality**, offers hospitality recruitment, consulting and training services. She has a range of career and business coaching options, from 1:1 express calls where you can ask a general question you really need help with to interview preparation coaching as well as long-term 1:1 personalised coaching. She also offers holistic career clarity coaching, including group programs such as "Aligning Dreams: Career Clarity."

Her area of expertise is helping people find value-aligned careers, as well as her niche in the hospitality and tourism industry, where she has spent the last 25 years of her own career.

Although this is a short course, it will get you on the right path to feeling like your career is an extension of who you are.

Course type

The WildlifeCampus courses are online courses. You can download the course content in **PDF format**, so you do not need to be online to study (you will need to be online to take the tests, though).

Duration

Average 1-3 hours. There are no deadlines; you may complete courses at your own pace.
