## Free components

As soon as you register, your My Courses page will unlock a set of free sample components, **one from every course we offer.**

It's your chance explore the different courses, and see how it all works, no strings attached.

Feel free to complete as many as you like! Just keep in mind that **certificates are only available for full course** completions, not the free components.

## Free courses

**Make the most of our complimentary courses.** They're not just a chance to explore the WildlifeCampus platform, but a **great way to learn something new at no cost.** You'll get a real feel for how our courses are structured and assessed, with no commitment upfront.

If you'd like a certificate for a free course, it can be redeemed for a **R250 processing fee.** Once you complete a course, we'll contact you automatically with the option to request your certificate. No need to email us when you're done.

## How to access your free courses

- **Register** on [www.wildlifecampus.com](http://www.wildlifecampus.com) (skip this step if you are already registered).
- **Log in** and go to your "**my courses**" page.
- **Scroll to the free courses** closer to the bottom of the list.
- **Click open a course and begin!**  
(Full instructions on completing courses can be found on the first pages of each course).
