WildlifeCampus subscription

The WildlifeCampus subscription is a flexible and innovative option that allows you to **access our full range of courses for a small monthly fee.**

Subscription overview

- **Access all courses:** The subscription grants you unlimited access to all WildlifeCampus courses for the duration of your subscription.
- **Retain purchased courses:** If you have previously purchased any courses, you will keep permanent access to those courses even if you subscribe.

Certificates for subscribers

Certificates are earned by subscribers, but **specific terms apply:**

- Complete as many courses as you like while subscribed.
- Redeem a maximum of **7 certificates within 24 months.**
- Your **first certificate can be redeemed after 6 months** of subscription.
- Redeem **one certificate every 3 months after that.**
- **After 6 months,** we will invite you to redeem a certificate for any courses you have completed.
- **You will choose which certificate to redeem** if you have completed multiple courses.
- Re-subscribers can redeem certificates monthly.

Certificate cost

Certificates are issued digitally for a processing fee of **R250.00 per certificate.**

How the subscription works

- Once subscribed, you will have **access to all courses**.
- You can view content online, download material, and complete tests.
- For every payment, your subscription extends by one month.

How to get started

- **Register as a student on our website.**
- **Pay via EFT:** Email us your username and confirm you would like to subscribe. We will send you an invoice.

Subscription pricing

We offer three subscription packages:

Number of subscribers	Monthly fee

3	R740.00

Subscription policies

Duration:

- The initial subscription lasts **24 months**.
- **After 24 months**, alternative subscription options become available.

Renewal:

- To continue access after 24 months, re-subscribe. **Returning subscribers may redeem certificates monthly.**

Missed payments:

- If no payment is received by the due date, **access is suspended**.
- After **3 missed payments**, the **subscription is cancelled**.

Additional questions

Can I subscribe if I have already purchased courses?

Yes! Your purchased courses remain yours, and subscribing gives you access to courses you have not yet purchased.

What happens if new courses are launched?

Your subscription fee will **not increase**. New courses are **included** automatically in your subscription.

What happens if my subscription is cancelled?

- You will lose access to **all course content**.
- Your **academic record** will **not be available**.
- To resume, you must re-subscribe with a new 24-month subscription and pay a **R200.00 reactivation fee** to restore your academic record.

Do I need to pay for suspended subscription periods?

No, you only pay for the time your subscription is active and accessible.

With flexible payment options, affordable pricing, and access to our comprehensive course list, the WildlifeCampus subscription offers **incredible value** for individual and group learners.
