African folklore

By Credo Mutwa

About this course

This content is transcribed from tapes recorded by the late Credo Mutwa, one of Southern Africa's most celebrated Sangomas. It is not scientific, but it explores the natural world from a deeply cultural perspective. A wealth of myth and legend.

These stories are written precisely like Credo Mutwa tells them, with all their original colloquialisms and styles.

In addition, since this is **not a formal academic course** there are no objectives outcomes or formal assessments. **No certificate** will be issued on completion of this course.
