**Anti-  
poaching**

## About this course

Are you passionate about making a meaningful impact on wildlife conservation? **Our comprehensive Anti-Poaching course** equips you with the knowledge to help protect and preserve our planet's biodiversity.

Through this course, you will gain an in-depth understanding of the illegal wildlife trade, its devastating effects on ecosystems, and the methods used by poachers. You will learn how to recognise signs of poaching activity, understand its presence in local communities, and discover actionable ways to contribute to conservation efforts.

**This is not just a course; it is a call to action.** Join a global movement to combat poaching, raise awareness, and secure a brighter future for wildlife everywhere.

### Price

**R 1,950** (please see our monthly payment plans)

**Payment

### Course type

**WildlifeCampus courses are online courses.** You can download the content in **PDF format**, so you do not need to be online to study (you will need to be online to take the tests, though).

There is **one test for each component** of a course. Tests are **multiple choice** and **not written tests**. Students may attempt these tests as often as required until they have passed.

**Once a test is passed, it cannot be taken again.**

### Duration

**Average 0-3 weeks.** There are no deadlines; you may complete courses at your own pace.

### Certification

Upon completing the course, you will receive an **industry-recognised digital certificate** demonstrating your commitment to upskilling yourself.
