

WildlifeCampus

Learn-Protect-Save

Approaching Dangerous Game

About this course

This course is the ultimate continuation of our Field Guiding (Nature Guiding) course, specifically tailored for nature guides looking to elevate their expertise and deepen their knowledge.

It provides an indispensable resource for those dedicated to mastering the complexities of working with dangerous animals in the field, **offering advanced skills and insights to take your guiding career to the next level.**

Price

R 950 (please see our monthly payment plans)

**Payment
plans**

Course type

WildlifeCampus courses are online courses. You can download the content in **PDF format**, so you do not need to be online to study (you will need to be online to take the tests, though).

There is **one test for each component** of a course. Tests are **multiple choice** and **not written tests**. Students may attempt these tests as often as required until they have passed.

Once a test is passed, it cannot be taken again.

Duration

Average 0-3 weeks. There are no deadlines; you may complete courses at your own pace.

Certification

Upon completing the course, you will receive an **industry-recognised digital certificate** demonstrating your commitment to upskilling yourself.
