

WildlifeCampus

Learn-Protect-Save

Behaviour guide to African primates

About this course

Our advanced animal behaviour courses, written by the esteemed ethologist Professor Richard D. Estes, are the benchmark for excellence in their field.

These courses are the most comprehensive of their kind, enriched with original illustrations, stunning imagery, detailed tables, informative graphs, extensive references, and engaging assessment questions. **Discover everything you've ever wanted to know about African animal behaviour, biology, and ecology.**

Price

R 650 (please see our monthly payment plans)

**Payment
plans**

Course type

WildlifeCampus courses are online courses. You can download the content in **PDF format**, so you do not need to be online to study (you will need to be online to take the tests, though).

There is **one test for each component** of a course. Tests are **multiple choice** and **not written tests**. Students may attempt these tests as often as required until they have passed.

Once a test is passed, it cannot be taken again.

Duration

Average 0-3 weeks. There are no deadlines; you may complete courses at your own pace.

Certification

Upon completing the course, you will receive an **industry-recognised digital certificate** demonstrating your commitment to upskilling yourself.
