## The Big 5

## About this course

**Step into the wild and uncover the secrets of Africa's Big 5!** From the lion's commanding roar to the elusive leopard's stealthy grace, this course takes you deep into the lives of Africa's most iconic animals.

Learn about the behaviour, habitats, and ecological importance of the lion, leopard, elephant, rhinoceros, and buffalo while discovering how they contribute to the balance of their ecosystems. Additionally, we have included a component on approaching dangerous game.

**These 6 components are derived directly from our Field Guiding (Nature Guiding) course.**
