Learn-Protect-Save

Elephant Facts and Fables

About this course

Authored by Professor Rudi van Aarde, a world-renowned elephant expert and Director of the Conservation Ecology Research Unit at the University of Pretoria, this insightful work critically examines the complex issue of elephant management.

Explore the assumptions and generalisations that often shape discussions on this important topic, guided by findings from over a decade of intensive research on Southern African elephant populations.

Course type

The WildlifeCampus courses are online courses. All course content is available online but may also be downloaded in PDF format (and easily printed), so you don't have to be online to study.

There are no formal test questions for this course.

Duration

Average 0-3 hours. There are no deadlines; you may complete courses at your own pace.

Certification

If you would like a certificate for completing a free course, it can be redeemed for a processing fee of R250. Upon graduation, we will contact you automatically to offer the option of redeeming a certificate. No need to email us to inform us you are done.
