The guide's guide to guiding

About this course

Our Guide's Guide to Guiding course focuses on the critical "soft skills" that set exceptional guides apart. We explore what differentiates the competent from the truly outstanding and successful guide.

Whether you are an aspiring, practising, or professional guide, this course will ignite your passion for guiding, introduce new skills and perspectives, and motivate you to deliver top-tier experiences. Written by Garth Thompson, one of the world's best guides and humorously illustrated by the late Dov Fedler, it is a must!

Course type

WildlifeCampus courses are online courses. You can download the content in **PDF format**, so you do not need to be online to study (you will need to be online to take the tests, though).

There is **one test for each component** of a course. Tests are **multiple choice** and **not written tests**. Students may attempt these tests as often as required until they have passed.

Once a test is passed, it cannot be taken again.

Duration

Average 0-3 weeks. There are no deadlines; you may complete courses at your own pace.

Certification

Upon completing the course, you will receive an **industry-recognised digital certificate** demonstrating your commitment to upskilling yourself.
