**Predator management  
on livestock farms**

## About this course

**Our Predator Management on Livestock Farms course**, originally developed for the Landmark Foundation, has been revised and tailored for wildlife managers, landowners, wildlife enthusiasts, and livestock farmers.

This essential, practical course is designed for anyone involved in or concerned with the predator-livestock conflict. If you are looking for non-lethal, holistic, ecologically responsible, and ethical strategies to manage these challenges, this course is for you.

Gain valuable knowledge and tools to navigate the complexities of predator management in a way that benefits livestock farming and wildlife conservation.

### Course type

**The WildlifeCampus courses are online courses.** All course content is available online but may also be downloaded in PDF format (and easily printed), so you do not have to be online to study.

**There are no formal test questions for this course.**

### Duration

**Average 0-3 weeks.** There are no deadlines; you may complete courses at your own pace.

### Certification

**If you would like a certificate for completing a free course, it can be redeemed for a processing fee of R250.** Upon graduation, we will contact you automatically to offer the option of redeeming a certificate. No need to email us to inform us you are done.

### Help

If you need assistance, please feel free to email us anytime!
