# Survival

## About this course

If you are someone who enjoys on adventure, our **Survival course is your ultimate guide to mastering survival skills**. From natural disasters to wilderness challenges, it equips you with the tools to confidently face the unexpected.

Crafted by an ex-Special Forces survival expert, this course covers practical techniques, ensuring you stay informed and entertained. With a mix of humour and grit, it is more than just a learning experience; it is a journey into the art of resilience and preparedness. **Be ready for anything, anywhere.**

### Price

**R 750** (please see our monthly payment plans)

**Payment  
plans**

### Course type

**WildlifeCampus courses are online courses.** You can download the content in **PDF format**, so you do not need to be online to study (you will need to be online to take the tests, though).

There is **one test for each component** of a course. Tests are **multiple choice** and **not written tests**. Students may attempt these tests as often as required until they have passed.

**Once a test is passed, it cannot be taken again.**

### Duration

**Average 0-3 months.** There are no deadlines; you may complete courses at your own pace.

### Certification

Upon completing the course, you will receive an **industry-recognised digital certificate** demonstrating your commitment to upskilling yourself.

### Help
