**Wilderness
Navigation**

About this course

Our Wilderness Navigation course is a must for anyone who explores the untamed outdoors!

Written by master navigator Andrew R. Friedemann, this course is an essential resource for anyone venturing into "anyplace wild." Navigation is a skill anyone can master, and developing this expertise not only enriches your outdoor experiences but could one day save your life.

Whether you are a seasoned adventurer or just starting out, this course provides the tools and confidence to navigate the wilderness safely and effectively.

Course type

WildlifeCampus courses are online courses. You can download the content in **PDF format**, so you do not need to be online to study (you will need to be online to take the tests, though).

There is **one test for each component** of a course. Tests are **multiple choice** and **not written tests**. Students may attempt these tests as often as required until they have passed.

Once a test is passed, it cannot be taken again.

Duration

Average 0-3 weeks. There are no deadlines; you may complete courses at your own pace.

Certification

If you would like a certificate for completing a free course, it can be redeemed for a processing fee of R250. Upon graduation, we will contact you automatically to offer the option of redeeming a certificate. No need to email us to inform us you are done.
