# Wilderness navigation

## About this course

**Our Wilderness Navigation course is a must for hikers, mountaineers, orienteering enthusiasts, outdoor leaders, teachers, scouts, guides, adventure racers, rescue teams, and anyone who explores the untamed outdoors.**

Written by master navigator Andrew R. Friedemann, this course is an essential resource for anyone venturing into "anyplace wild." Navigation is a skill anyone can master, and developing this expertise not only enriches your outdoor experiences but could one day save your life.

Whether you are a seasoned adventurer or just starting out, this course provides the tools and confidence to navigate the wilderness safely and effectively.

### Course type

**WildlifeCampus courses are online courses.** You can download the content in **PDF format**, so you do not need to be online to study (you will need to be online to take the tests, though).

There is **one test for each component** of a course. Tests are **multiple choice** and **not written tests**. Students may attempt these tests as often as required until they have passed.

**Once a test is passed, it cannot be taken again.**

### Duration

**Average 0-3 weeks.** There are no deadlines; you may complete courses at your own pace.

### Certification

**If you would like a certificate for completing a free course, it can be redeemed for a processing fee of R250.**

Upon graduation, we will contact you automatically to offer the option of redeeming a certificate. No need to email us to inform us you are done.
